Subject: Dr. Nicoletti's Presentation
Attachments: Detection Disruption & Prevention of WP.EPA.ppt

Attached is the Power Point Dr. Nicoletti will be using for his presentation on February 5th. Feel free to copy and print to use as handouts. Also, it would be very helpful if you could have the presentation loaded on a computer with projector and ready to go when he arrives.

Thanks for your assistance. If you have any questions or concerns, please let me know.
